Location: Athens / Barcelona

PROFILE

Architectural designer currently pursuing a Master in Architectural Design Ecology, with experience in spatial design, 3D modeling, visualization, and immersive environments. I'm interested in creating spaces that are thoughtful, atmospheric, and responsive to how people move, interact, and experience their surroundings. My work combines architectural design, digital tools, visual communication, and cultural projects, using Rhino, Blender, AutoCAD, Unity, Photoshop, TouchDesigner, and ComfyUI.

EXPERIENCE

Architect | Digital Transformation Actions of the Greek National Opera 01/2025 - 10/2025
Athens, Greece

- Developed 3D spatial assets and digital environments for a virtual reality opera rehearsal platform.
- Processed point-cloud data and optimized meshes for Blender and Unity workflows.
- Supported immersive design workflows for rehearsal, staging, and spatial coordination.

Junior Architect | Delta Construction 10/2024 - 03/2025
Athens, Greece

- Produced architectural drawings, design proposals, 3D models, and photorealistic visualizations.
- Assisted with design development for residential and commercial architectural projects.
- Prepared presentation drawings, project documentation, and client-facing visual material.

Retail Assistant | Zara (Inditex) 02/2024-05/2024
Chania, Greece

- Worked in a fast-paced fashion retail environment, supporting daily floor operations and customer-facing tasks.
- Assisted with fitting room flow, product organization, and maintaining visual standards across the store.
- Gained first-hand understanding of how store layout, product display, customer movement, and brand presentation shape the retail experience.

Architectural Intern | ARENCOS 03/2023 - 07/2023
Chania, Greece

- Assisted with architectural design tasks, presentation drawings, renders, and project documentation.
- Supported 3D modeling and visualization for architectural projects.

EDUCATION

Master in Architectural Design Ecology 2025 - 2026
Universitat Politècnica de Catalunya, Spain

Exchange Semester, MSc in Architecture Illinois Institute of Technology, USA	2025 - 2026
Integrated Master of Architecture Technical University of Crete, Greece	2018 - 2024

PUBLICATIONS & CONFERENCES

CAADRIA 2025 - Reimagining Space with BigGAN University of Tokyo, Japan
CHI Greece 2025 - VR Prova: Collaborative Virtual Reality Opera Rehearsal Platform ACM Greek SIGCHI Chapter, Syros, Greece

SKILLS

CAD / BIM	AutoCAD, Revit	Adobe	Photoshop, Illustrator
Modeling	Rhino, SketchUp	Programming	Python
3D / Render	Blender, V-Ray	Interactive / AI Workflows	Unity, TouchDesigner, ComfyUI

LANGUAGES

Greek	Native	French	C1 - Université Paris-Sorbonne
English	C2 - University of Michigan ECPE
